

## GREYHOUND MICROCHIP REGISTRY

# CHANGE OF OWNERSHIP

This form is to notify the Greyhound Microchip Registry if the ownership of a retired (pet) greyhound changes, to ensure that the current owner of the greyhound can be easily identified by a local council, pound or shelter should the greyhound become lost (particularly if found without its collar and council tags). This form may be completed by the previous or the new owner but must be signed by both parties. Please complete the below information to update your contact details on the GRV Microchip Registry and return by email to [retirements@grv.org.au](mailto:retirements@grv.org.au).
