

## **Making up a licky mat or tray**

### **What will you need?**

- Licky mat/tray (with hook to hang on cage door)
- Butter knife
- A tasty spread such as Vegemite, cream cheese spread, honey, butter, apple sauce, mashed banana or peanut butter

dog.

Fix it in place using the hooks attached and try and make the mat or tray as flat to the cage door as you can.

Leave the mat or tray there for about 1 hour.

### **Step 3.**

When you go into the pen to collect the licky mat/tray, throw a handful of treats on the ground away from the cage door so you can safely remove the mat/tray.

### **Step 4.**

Wash the Kong take with some dishwashing liquid and fill up with warm water.

Use a toothbrush that is used for small and hard to reach areas to scrub all the leftover food out. Also scrub the outside of the Kong.

Rinse with water and soak in a disinfectant before rinsing off.

### **How do you make it?**

#### **Step 1**

Use a small amount of spread on different parts of your Licky mat or tray. remember it is a tasting plate and not a meal so please use sparingly.

#### **Step 2**

Open the greyhound's pen/kennel door and place the mat or tray on the door at about head height for the
