

How to declare your EHMP in FastTrack

A simple guide to recording your Establishment Health Management Plan (EHMP) declaration.

Before you start

Your EHMP must be completed and approved by a registered veterinarian. Have the date the veterinarian signed it ready.

1

Open your participant profile

Log in to FastTrack and open your participant profile. Your registered residential and kennel addresses will be displayed.

2

Choose the relevant property

Select Complete EHMP Declaration beside the property you are declaring.

3

Say who completed the EHMP

Select Yes if you completed it. Select No if another registered participant linked to the address completed it.

4

Enter the veterinarian's signing date

Use the calendar to select the date the registered veterinarian signed the EHMP.

The declaration link appears against the relevant registered address.

5

Read, acknowledge and submit

Check the declaration. Tick the acknowledgement and select Submit.

If someone else completed the EHMP

FastTrack will ask you to identify the registered participant who completed the plan.

1

Select No

Choose No when asked whether you completed the EHMP yourself.

2

Select the linked person

Choose the registered participant linked to the address who completed the EHMP.

3

Add the signing date

Use the calendar to select the date the registered veterinarian signed the plan.

4

Check and submit

Check the details and select Submit.

THIS PAGE IS ONLY SHOWN IF SOMEONE ELSE COMPLETED THE EHMP

EHMP Declaration

Did you complete the Establishment Health Management Plan (EHMP) yourself?
☐ Yes ☒ No

Please select the name of the registered participant who completed the EHMP
 Linked Person **Taylor Test**

What date did the registered veterinarian sign the EHMP?
 20/08/2026

Select the person from the Linked Person list.

EHMP Declaration has been added successfully
 Your declaration is now recorded in FastTrack.

EHMP Declaration has been added successfully

This message confirms that your declaration has been recorded in FastTrack.

Important reminders

- 1 Complete a separate declaration for each relevant property where active greyhounds are kept.
- 2 You are declaring the EHMP - you are not uploading the completed EHMP to FastTrack.
- 3 Keep the completed EHMP at the property and make it available when requested by a Steward or GRV Officer.
- 4 Review the EHMP annually and complete a new veterinarian-approved EHMP every three years.
- 5 Update the EHMP if the establishment's activities or protocols change.
